BattleKings win division crown

Sp. Jacob Boyer

Staff Writer

Chauncey McDonald intercepted two passes in the first half, one of which set up his own rushing touchdown, to lead the 1st Battalion, 9th Field Artillery Regiment BattleKings to a 14-0 win over the 1st Battalion, 3rd Aviation Regiment Dirty Third for the Fort Stewart-Hunter Army Airfield Inter-Post Flag Football Championship Nov. 25 at the Intramural Sports Complex. Despite a multitude of dropped touchdown passes, the Kings managed to score two touchdowns in the first half for the only points they would need against an overmatched 1/3 offense.

McDonald's first pick came on the Third's first drive. After taking over possession following a four and out series from the Kings, 1/3 quarterback Phillip Lathan threw a high, arching pass that fell right into the cornerback's hands on his third play from scrimmage.

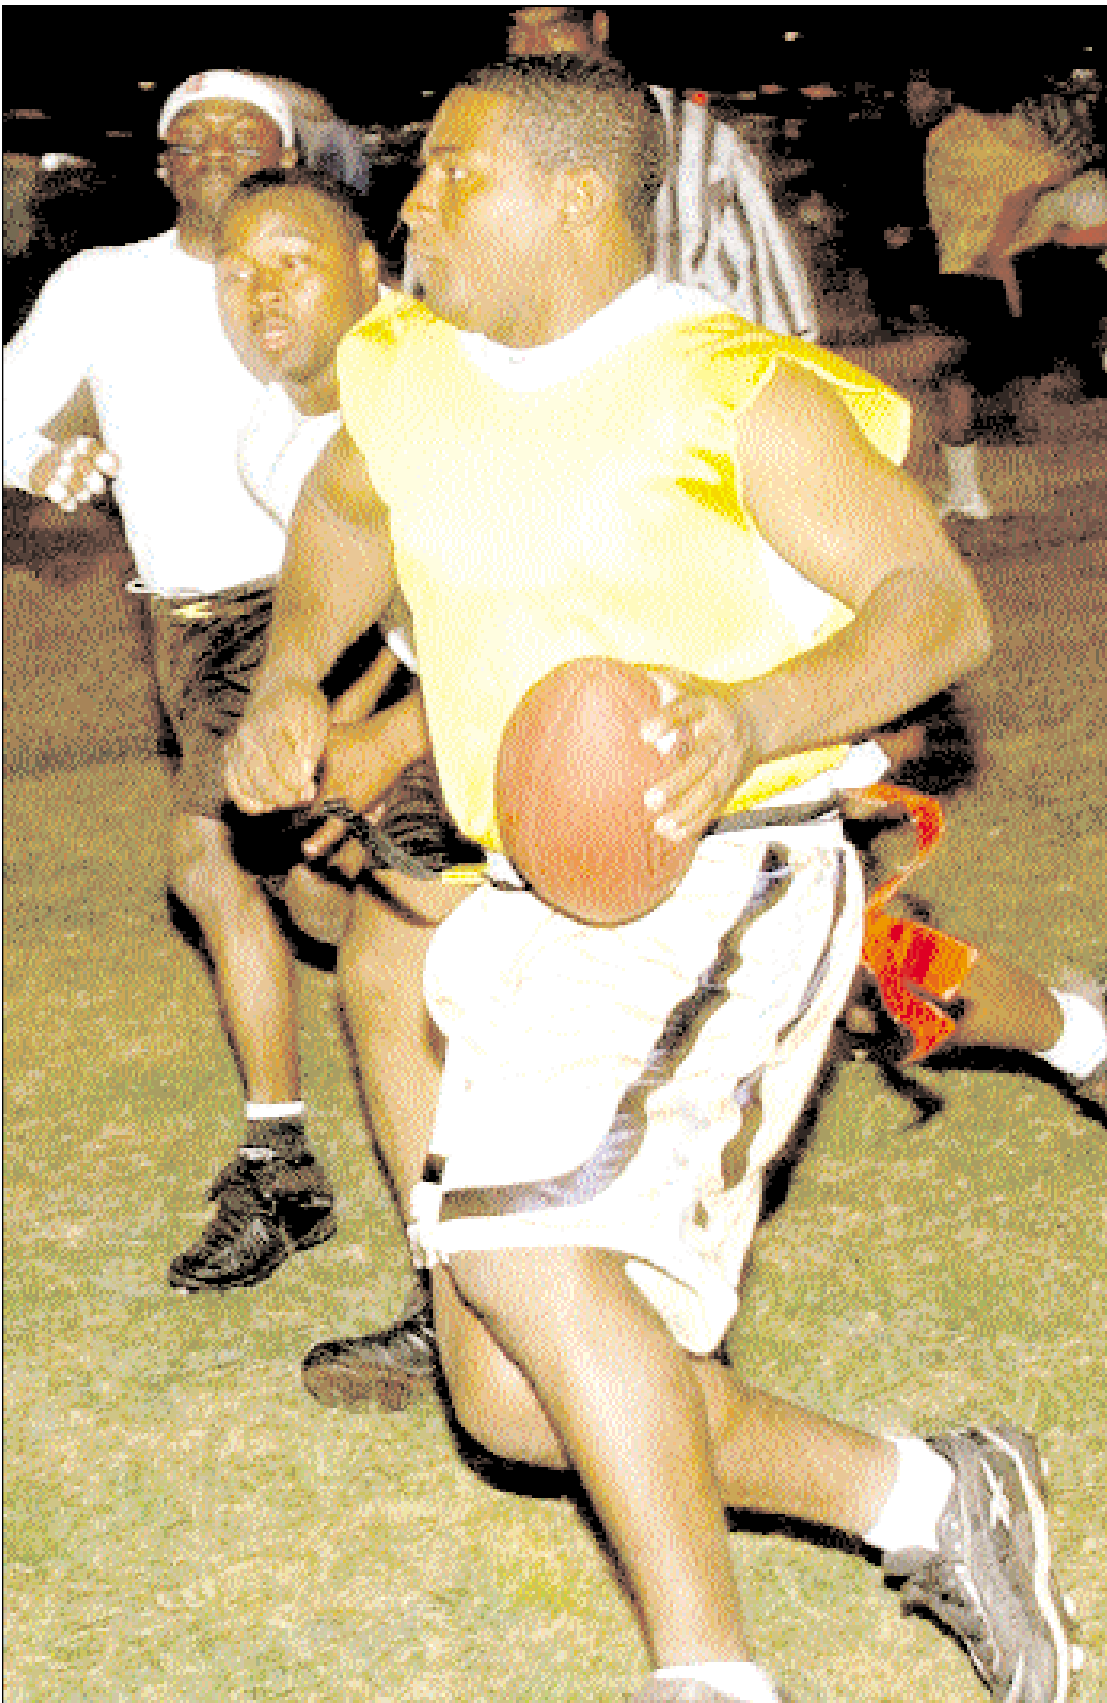

The 1/9 option offense scored quick on the ensuing drive. McDonald pitched twice to Anthony White for a total of ten yards. After one pass was dropped in the end zone, McDonald ran up the middle behind a block from Charles Weeks for the Kings' first score. The extra point attempt failed, leaving the Kings up 6-0. The Dirty Third went four and out on the next drive, giving possession back to the BattleKings. Tobias Green and McDonald swapped out quarterbacking duties on several plays, but the frigid air made catching the ball difficult for 1/9 until McDonald hooked up with Marcus Dunbar for a 20-yard touchdown pass. Weeks caught another pass on the two-point conversion to cement the score, 14-0.

The teams traded possessions, ending with a 1/9 punt that gave the Third one last shot at the end zone before half time. Lathan threw long for the end zone but McDonald was there with another interception, this time almost returning it for a touchdown before his flag was pulled.

Neither team managed to get much going in the second half until 1/3 got the ball with 2:52 left in the game. Lathan ran a few quick keepers to move the ball to 1/9's 29-yard line, but bobbled a snap to move the ball back past midfield on first down. He got the yards back with a 16-yard pass to Lashaun Cunningham, setting up a fourth and two situation on the Kings' 22. On the next play he threw a deep pass that was broken up by White to end the Third's only serious scoring threat. McDonald spiked the ball on the subsequent play to end the game.

"It feels good to break up a pass to win the game," said White, who broke up a pass in the closing seconds of the Fort Stewart Championship to secure a previous Kings's win. "I just saw the ball in the air, and my goal was to knock it down. That's what I did." With the cold ball bouncing out of the offense's hands, the 1/9 defense stepped up in a big way. "Defense wins championships," said 1/9 linebacker

Coastal edges Fire Dawgs 18-17

Sp. Robert Adams

Staff Writer

Catcher Ricky Fabian smashed two monster two-run homeruns to lead Coastal Lawn Care to an 18-17 victory over the Fort Stewart Fire Department in intramural softball Tuesday at the 703rd Main Support Battalion softball fields. "Fabian hit critical homeruns for us tonight" said coach and Left Center Fielder Tracey Howard. The Fire Dawgs started out the first inning cold with the first two batters hitting pop flies. Short Stop Doug Young broke the ice with a double and was brought home by a single by pitcher Steve Blocker scoring the first run of the game.

After a ground out to second the lead was 1-0. Coastal started out strong in the bottom of the first. Third baseman Rich Nyman led off the inning with a double. He was brought home by a single by left fielder Jody Smiley. This was followed by a deep line drive triple by short stop David Wasdin who scored after Fabian hit his first of two homeruns extending the score to 4-1. Then Coastal hit three straight fly balls to end the inning, but the damage had been done. The Fire Dawgs looked like a different team in the second inning. Seven out of the first eight batters singled to begin the inning. With the addition of a triple by Young, the Fire Dawgs took a 7-4 advantage. The Fire Dawgs run ended

after an amazing catch by Smiley in the outfield. Coastal continued their hot-hitting in the bottom of the second. They seemed to have Blocker's number as they hit one line drive after another. After batting around the line up, highlighted by triples by Howard, Nyman, and Smiley, Coastal took back the lead bringing the score to 15-7. The third inning consisted of strong performances by both teams' defenses in which no runs were scored. Coastals pitcher Marc Woodward got out of the top of the third inning with no runs allowed due the help from the outfield. With the exception of one walk, the Fire Dawgs couldn't answer Coastal's hitting spree and hit three pop flies. Other than a lead off single by Fabian the Fire Dawgs ended the bottom of the third inning with three straight outs. Left center fielder Clay Goode fired up his team as he ran off the field, yelling for them to get back into the game. After a fly out to begin the fourth, Goode hit a single followed by another by catcher Keith Maverick. With runners at first and third, Right fielder Todd Batt hit a triple scoring both runners. Then a run-scoring single by Young set up a two-run homerun by Blocker trimming the lead to 15-12. A ground out ended the come back, but the Fire Dawgs were back in the game. The Fire Dawgs were still fired up on defense in the bottom of the fourth allowing only one single by catcher Jay Smiley. Goode once again ran off the field pumping up his team knowing they had a good opportunity to take the lead. The Fire Dawgs began the fifth with a ground out but got their next two batters on base. After another out, the Dawgs got two straight singles to cut the lead to 15-14. Unfortunately they couldn't take the lead after a pop out ended the inning. Coastal began hitting again like they had done in the .second inning. Wasdin hit a one out line drive double followed by Fabian's second two-run homerun. "He seemed to hit them at the right time for us tonight," Howard said. Coastal then hit three straight singles to load

Army to battle archirvial Navy in 104th renewal of ‘America’s Classic’

Special to The Frontline

One of the most revered rivalries in all of sports will be revisited on Saturday when Army and Navy battle for the 104th time.

Rich with tradition, drama and excitement, the series is widely viewed as the premier rivalry in all of sports. Following a one-year hiatus, the Army-Navy Classic returns to the city of Philadelphia for the 77th time, making its debut at sparkling new Lincoln Financial Field.

While Army enters the game looking to avoid a record-setting 13-loss campaign, Navy is hoping to put an exclamation point on a banner season. The Mids have already clinched their first winning season since 1997 and a berth in the EV1.net Houston Bowl.

Plagued by turnovers, injuries and inconsistencies throughout the season, Army will be looking to salvage its season by claiming a share of the coveted Commander in Chief’s Trophy with a victory against its

archrival. The Black Knights will also be out to avenge last year’s 58-12 beating suffered at the hands of the Mids.

Army must find a way to contain Navy’s high-powered option game if it is to accomplish that feat. The Midshipmen feature the nation’s top rushing attack, averaging 323.1 ground yards per contest, and boast bruising FB Kyle Eckel and fiery QB Craig Candeto. While Eckel has rushed for over 1,000 yards, Candeto has passed for over 1,000 yards and rushed for 964.

Army enters the contest under the direction of interim head coach John Mumford and mired in the throes of a school-record 14-game losing streak. Navy will claim its first outright Commander in Chief’s Trophy title since 1981 with a victory.

A sellout crowd of more than 70,000 is expected to fill Lincoln Financial Field with worldwide television and radio audiences looking on. Army leads the all-time series by a narrow 49-47-7 margin.

Fred Styles. “We stuck together all year. Whenever one element isn’t functioning, the others step up. Tonight, the D had to pick it up, and we won another championship.”

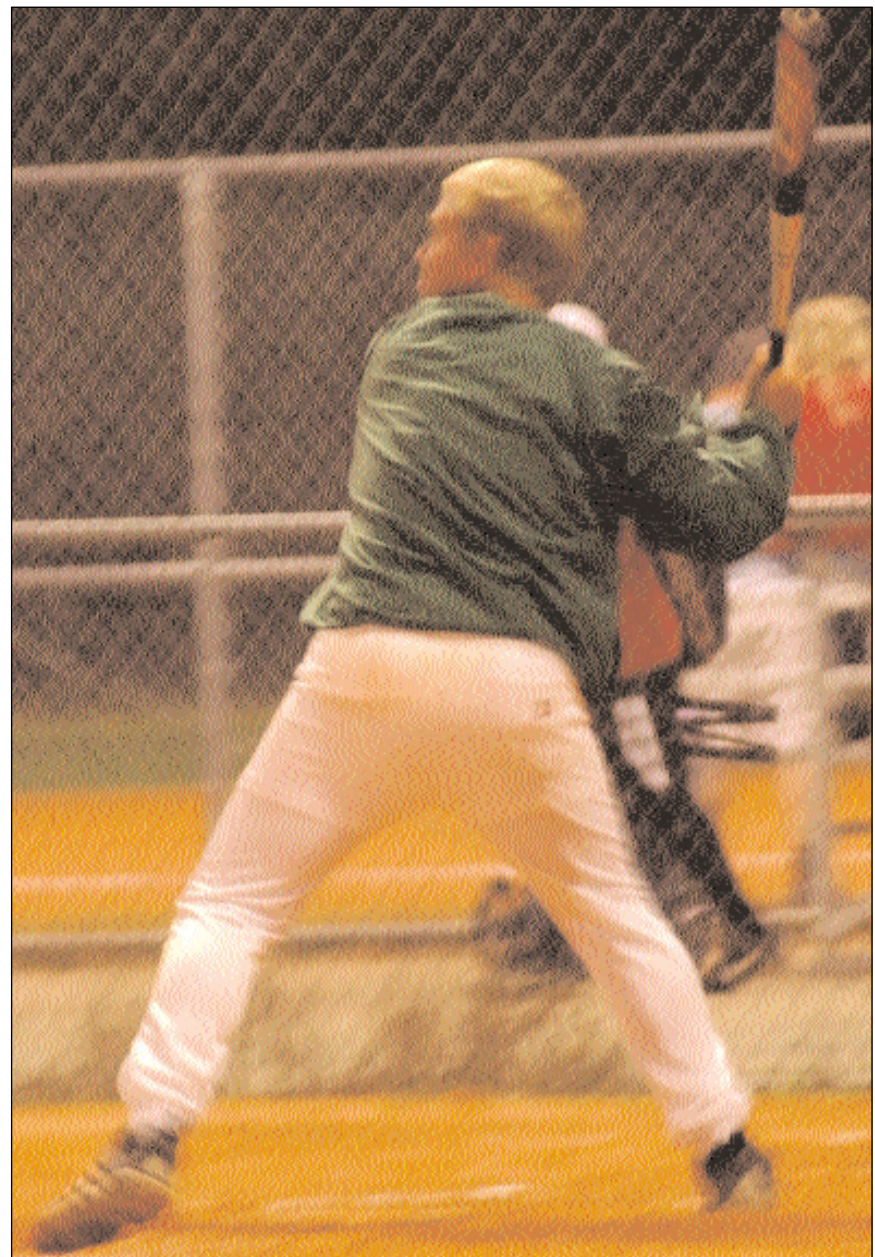

BattleKings coach Leander McPherson was complimentary of his defense’s effort, and proud of his team,

which won its third championship in four years. But he added that next year’s team will look much different.

“The defense toughened up in the end,” he said. “We’ve had the same nucleus for three years, and a lot are leaving, so maybe now the rest of the units will have a chance.”

the bases, but only brought one of them home on a sacrifice fly by right fielder Johnny Jackson. The lead was extended to a comfortable 18-14 lead heading into the sixth inning.

With time running out, the Fire Dawgs made one last attempt at a comeback. Two straight hits put runners at first and third. A ground out scored one run, which was followed by another single again putting runners at the corners. Another ground out scored another runner, which was followed by yet another single. With two outs with two runners on base and a 18-17, Young hit a pop fly to end the game.

“I was proud of how my team played tonight,” Howard said.

The Fire Dawgs coach was not available for comment after the game, but in all both teams battled down to the end.
